

Norva24 wins new contracts in Sweden and Denmark

Norva24 has won a contract with Vejle Municipality in Denmark. The contract is for 4 years and has a total estimated value of 15 MNOK.

Norva24 has also won a contract with SISAB in Sweden. The contract is over 2 years with an option for another 1 + 1 years and has a total estimated value of approximately up to 18 MNOK if the options are utilized.

About Vejle Municipality

Vejle municipality is a municipality in the Region of Southern Denmark in Denmark. In connection with the Danish municipal reform in 2007, several municipalities were merged into the current municipality of Vejle. Vejle municipality is Denmark's 5th largest municipality.

About SISAB

SISAB, Skolfastigheter i Stockholm AB, is a municipal company within the Stockholm Stadshus AB Group. The company's goal is to offer educational environments with quality, sound finances and long-term environmental considerations. The company is responsible for properties where 200,000 children, young people and adults stay daily. The company works with operation and maintenance of our properties and works actively to create new student places in a growing capital, through extensive renovations, new and extensions.
